Glossary

Contract Students

This is an International Graduate Programs for Educators that provides students worldwide with the opportunity to engage in the school's multidisciplinary degree program. This is a self-support program. **The contracted tuition revenues do not count toward state support or SUNY approved planned enrollment and revenues.**

Continuing Students

Undergraduate – an undergraduate student registered in the current term who was enrolled at Buffalo State during the previous term. In the case of the Fall term, “previous term” shall mean either the previous Summer or Spring term; e.g., those undergraduate students in the Fall 2013 who were enrolled at Buffalo State during Summer 2013 or Spring 2013 are continuing students.

Graduate – a graduate student registered in the current term who was enrolled at Buffalo State as a Graduate Student during the previous term. In the case of the Fall term, “previous term” shall mean either the previous Summer or Spring term; e.g., those graduate students in the Fall 2013 who were enrolled at Buffalo State during Summer 2013 or Spring 2013 are continuing students.

First-time Retention rate

The retention rate is based on first-time, full-time, matriculated students (*A student who has not been previously enrolled at any college or university and who is enrolled for the first time at Buffalo State this term*) who were enrolled for the fall 2009 term and are currently enrolled for fall 2013 term with either a full-time or part-time status. Students who are on any leave of absence are counted in the retention rate.

FTE

Full-time Equivalent Workload is a unit of measure usually derived from student credit hours. One FTE workload is equivalent to 15 student credit hours in undergraduate courses, or 12 student credit hours in graduate courses. Certificate of Advance Study are calculated as follows: One FTE for full-time Advance Graduate Students, 0.75 FTE for part-time Advance Graduate Students.

Matriculated

A student enrolled at the Buffalo State and is considered by the institution to be currently pursuing a specific type of degree (such as bachelors, masters, etc...) and who has **or** has not yet chosen a major field of study.

Non-Matriculated

A student enrolled at Buffalo State to take certain credit courses and is not considered by the institution to be currently pursuing a specific type of degree (such as bachelors, masters, etc...).

New Students

Freshman

A student who has not been previously enrolled at any college or university and who is enrolled for the first time at Buffalo State this term. A student whose previous post-secondary education was only at a non-collegiate institution such as a business school or technical institute is a first-time student, unless Buffalo State expects to give college credit for such activities in which case the student is a transfer student.

Transfer

An undergraduate student who is enrolled at your institution for the first time in the current term, but who has attended other colleges or universities prior to the current term. The actual number of credit hours he/she is allowed to transfer is not relevant to the distinction between a transfer and a first-time student, even if no credits were ultimately transferable.

Graduate

A graduate student, whose first enrollment as a graduate student at your institution, occurs during the current term.

Returning Students

Undergraduate – an undergraduate student registered in the current term and who has been enrolled at Buffalo State but was **not** enrolled in the previous term. In the case of the fall term, “previous term” shall include either the previous summer or spring term; e.g., an undergraduate student in the fall 2013 is a returning student if he/she was previously enrolled at Buffalo State but in neither the spring 2013 nor summer 2013 terms.

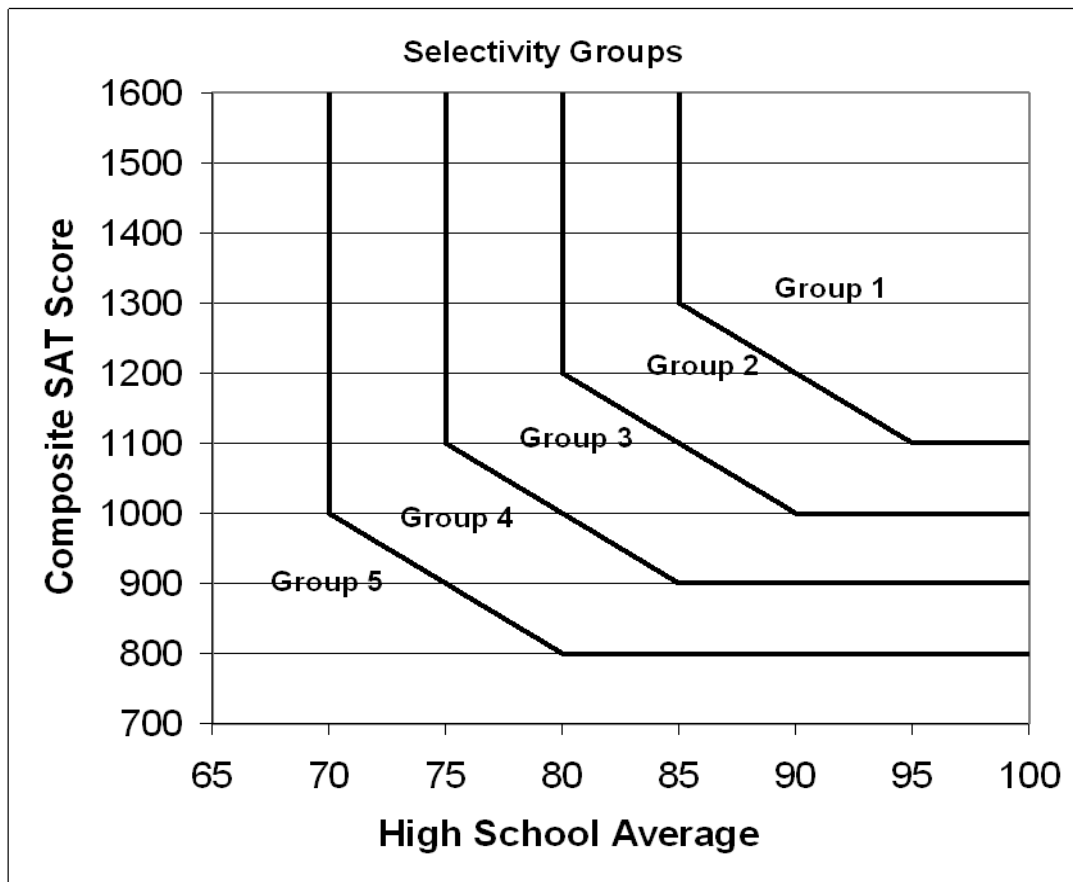

Graduate – a graduate student registered in the current term and who has been enrolled at Buffalo State as a GRADUATE student but was **not** enrolled as a GRADUATE student in the previous term. In the case of the fall term, “previous term” shall include either the previous summer or Spring term; e.g., a graduate student in the Fall 2013 is a returning student, if he/she was previously enrolled as a GRADUATE student at Buffalo State but in neither the Spring 2013 nor Summer 2013 terms.
